EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Alan J. Kasper on May 25, 2005.

The application has been amended as follows:

In claim 1, line 7 of the claim, after "seat portion and", insert --contactably--.

REASONS FOR ALLOWANCE

2. Claims 1-4 are allowed.
3. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims is the valve guide portion contactably guides the ball shaped valve element and is arranged coaxially with the seat portion, in combination with a rod fitted in the plunger in which the rod contacts the ball shaped element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
